INDEX TO VOLUME XVII

Agencies promoting international cooperation. *See* International relations.

Alcoholic beverage taxes: state legislation, 1934-39, 107, 123-27; states with, 1934 and 1939, 104-105; total yield, in certain states, contributing directly to state school support, 1937-38, 127. *See also* Tax legislation affecting schools.

Alves, Henry F.: referred to, 5, 52.

Assignments of teachers. *See* Teaching load.

Barbour, Richmond: referred to, 227.

Bennett, G. Vernon: referred to, 225.

Blose, David T.: referred to, 5, 52.

Carter, Goodrich, and others: referred to, 49.

Cavins, L. V.: referred to, 4.

Chain-store taxes: affecting school support, 1933-38, 106; as related to state school support, 1929-38, 133; described briefly, 101; number of states levying, 1933-38, 106; state legislation, 1934-38, 107, 133-35; states with, 1934 and 1939, 104-105; total yield, contributing directly to state school support, 1937-38, 134. *See also* Tax legislation affecting schools.

Charters, W. W.: referred to, 225.

Class size: limitations proposed by teachers for, 253. *See also* Comments of teachers, on class size limitations; Teaching load.

Comments of teachers: on class size limitations, 254; on cumulative effect of assigned duties, 257; on curriculum study and revision, 258; on democracy in school administration, 259; on difficulties experienced with large classes, 252-53; on equalization of assignments, 258; on extracurriculum requirements, 257-58; on heavy teaching loads as a detriment to professional growth, 255-56; on inadequacy of rural salaries, 30-39; on need for local studies of teaching load problems, 259; on out-of-school activities and interruptions, 257; on relation of public opinion to teaching loads, 259; on total time requirements of teaching, 258; on unnecessary administrative and clerical work, 258-59.

Corporation taxes: affecting school support, 1933-38, 106; described briefly, 101-102; number of states levying corporation income taxes, 1933-38, 106; state corporation income taxes as related to state school support, 1929-38, 113; state legislation on corporation income taxes, 1934-38, 113-16; state legislation on other corporation taxes, 1934-38, 107, 140-43; states with corporation income taxes, 1934 and 1939, 104-105; total yield of personal and corporation income taxes contributing directly to state school support, 1937-38, 114. *See also* Tax legislation affecting schools.

Cyr, Frank W.: referred to, 4.

Davis, Horace W.: referred to, 16.

Democracy in school administration: desirability of, 259, 261; quotation concerning, 261. *See also* Comments of teachers, on democracy in school administration.

Dependents: "dependency unit" defined, 12; number of, for rural teachers, 12-13.

Douglass, Harl R.: referred to, 227.

Duties of teachers: *See* Teaching load.

Economic status of rural teachers: a composite picture, 40-41; cultural, recreational, and economic opportunities, 41, 44-45; differences according to type of rural school, 41-42; family responsibilities and living conditions, 12-13, 40, 42-43; financial status, summarized, 41; outstanding points and their significance, 41-46; professional status, 40, 41-42; summarized, 40-46; transportation facilities, 40-41, 43-44.

Eells, Kenneth W.: referred to, 227.

Elsbree, Willard S.: quoted, 24, 74.

Expenditures of rural teachers: comparison of single women and married men in certain living arrangements, 15-18; comparison of teachers at different income levels, 20-21; comparison of teachers in different types of school, 19-20; comparison of teachers with different amounts of experience, 22; comparison of teachers with different numbers of dependents, 21-22; for various purposes, 15-24; four major uses of income, 16-17, 20-22; variations in amounts used for specific purposes by individual teachers, 22-24. *See also* Income of rural teachers; Salaries of rural teachers.

Extracurriculum activities of teachers: time devoted to, 230-31. *See also* Comments of teachers, on extracurriculum requirements.

Financing education: *See* Tax legislation affecting schools.

Fosdick, Harry Emerson: quoted, 211.

Funds earmarked for schools: *See* Tax legislation affecting schools.

Gasoline taxes: state legislation, 1934-38, 106-107, 127-28; total yield in certain states of gasoline taxes contributing directly to state school support, 1937-38, 127. *See also* Tax legislation affecting schools.

Gaumnitz, Walter H.: referred to, 4.

General Education Board: referred to, 4.

Givens, Willard E.: forewords by, 4, 68, 100, 164, 224.

Goodrich, Carter, and others: referred to, 49.

Hull, Osman R.: referred to, 225.

Income of rural teachers: school salaries and other income, 6-13; sources of, 6-7; uses of, 14-24. *See also* Expenditures of rural teachers; Salaries of rural teachers.

Income taxes: affecting school support, 1933-38, 106; described briefly, 101; number of states levying, 1933-38, 106; state legislation, 109-12; state personal income taxes as related to state school support, 1929-38, 108; states with, 1934 and 1939, 104-105. *See also* Corporation taxes; Tax legislation affecting schools.

Indebtedness of rural teachers: amounts reported for each type of, 25-26; extent of indebtedness, 25-29; repayment of debt, 17-18; total liabilities in relation to home maintenance and ownership, 29; total liabilities of teachers having different amounts of experience, 26-27.

Index numbers: of all school employees' salaries to the 1930-31 salary of elementary teachers, 86-87.

Inheritance, estate, and gift taxes: described briefly, 101-102; state legislation, 1934-38, 107, 136-37; states with, 1934 and 1939, 104-105. *See also* Tax legislation affecting schools.

International relations: materials on, supplied to schools, 212; organizations and agencies interested in, listed alphabetically with page references, 214-17; services with respect to, available for schools, 212; work of various organizations and agencies described, 167-211.

Irwin, Manley E.: referred to, 227.

Kandel, I. L.: quoted, 220.
King, W. P.: referred to, 163.
Koerner, Grace: referred to, 163.

Large classes: difficulties experienced with, 251-53; prevalence of, 229, 251. *See also* Comments of teachers, on difficulties experienced with large classes.
License taxes: described briefly, 102; state legislation, 1934-38, 144-47. *See also* Tax legislation affecting schools.
Load pressures: *See* Teaching load.

Mead, A. R.: referred to, 4.
Monroe, Paul: referred to, 163.

National Education Association: Committee on Economic Status of the Rural Teacher, referred to, 4, 5, 49, 68, 69.
National Education Association: Committee on International Relations, referred to, 163, 165, 166; report quoted, 213.
National Education Association: Department of Classroom Teachers, yearbook quoted, 29, 256.

National Education Association: Educational Policies Commission, quoted, 166, 261, 262.
National Education Association: Educational Research Service, circulars referred to, 78, 79, 231.
National Education Association: Research Division bulletin quoted, 13, 46, 64, 231; referred to, 5, 101.
National Industrial Conference Board: referred to, 148.
National Society for the Study of Education: yearbook referred to, 165.

Organizations promoting international cooperation. *See* International relations.

Personal relationships of teachers: 235-36.
Pertsch, C. Frederick: referred to, 227.
Property ownership by rural teachers: amounts reported for each type of property and indebtedness, 25-26; home ownership not common, 43; total assets and liabilities in relation to home maintenance and ownership, 29; total assets and liabilities of teachers having different amounts of experience, 26-27; value of property and extent of indebtedness, 25-29. *See also* Savings and investments.
Property taxes: changes in state laws, 1934-38, 148-51; described briefly, 102; property tax relief, 103; property tax replacement and search for new revenues, 103, 107; tendencies in state legislation, 1934-38, 103. *See also* Tax legislation affecting schools.
Pupil load. *See* Teaching load.

Questionnaire: on the economic status of rural teachers, described, 6, 14, 25, 30; same reproduced, 55-60; on salaries of city school employees, described, 95; on teaching loads, described, 225-26, reproduced, 265-70.

Robinson, Wm. McKinley: referred to, 4.
Rural teacher: a composite picture of, 40-41; automobile ownership by, 43-44; cultural and professional improvement of, 40, 41, 44; family responsibilities of, 12-13, 40, 42-43; home ownership by, 43; housing facilities of, 43; indebtedness of, 17-18, 25-29; professional qualifications of, 40, 41-42; property owned by, 25-29; salaries of, 6-13, 45, 91-94; vacation activities of, 44. *See also* Comments of teachers; Expenditures; Indebtedness; Property ownership; Salaries of rural teachers; and Savings and investments.

Salaries of city school employees, 1938-39: distribution of salaries paid certain administrative and supervisory officers in cities over 30,000, 80; distribution of salaries paid certain administrative and supervisory officers in cities under 30,000, 81; distribution of salaries paid other school employees in cities over 30,000, 85; distribution of salaries paid other school employees in cities under 30,000, 85; distribution of salaries paid principals in cities over 30,000, 78; distribution of salaries paid principals in cities under 30,000, 79; distribution of salaries paid secretarial and clerical employees, 84; distribution of salaries paid teachers in cities over 30,000, 76; distribution of salaries paid teachers in cities under 30,000, 77; intercity comparisons in, 88-89; median and arithmetic mean salaries paid junior and senior high-school teachers by cities over 100,000, 89; median and arithmetic mean salaries paid kindergarten and elementary-school teachers by cities over 100,000, 88; median salaries, 82-83; median salaries paid and index relationships in cities over 30,000, 1930-31 and 1938-39, 86; median salaries paid and index relationships in cities under 30,000, 1930-31 and 1938-39, 87; median salaries paid elementary-school teachers, 82; median salaries paid high-school teachers, 83; median salaries paid junior high-school teachers, 82; median salaries paid superintendents, 83; range and distribution of, 76-85; relation of (all positions), to the 1930-31 salary of elementary teachers, 86-87; special tabulations of, described, 89-90; referred to, 79; trends in, 1930-31 to 1938-39, 70-75; trends in elementary-school teachers' salaries, 1930-31 to 1938-39, 75; trends in high-school teachers' salaries, 1930-31 to 1938-39, 75; trends in salaries paid employees in cities 2,500 to 5,000, 1930-31 to 1938-39, 74; trends in salaries paid employees in cities 5,000 to 10,000, 1930-31 to 1938-39, 73; trends in salaries paid employees in cities 10,000 to 30,000, 1930-31 to 1938-39, 72; trends in salaries paid employees in cities 30,000 to 100,000, 1930-31 to 1938-39, 71; trends in salaries paid employees in cities over 100,000, 1930-31 to 1938-39, 70.
Salaries of rural teachers: average annual income of rural teachers, 8-12; in relation to number of dependents, 12-13; in relation to school location by states, 9-11; in relation to training and experience, 10-11; in relation to type of school, general area, and sex, 7-9; in relation to type of school position, 11-12; in relation to various factors, 7-13; salaries paid rural teachers, by states, 91-94; school salaries and other income, 6-13; situation unsatisfactory, 45; sources of income for rural teachers, 6-7; uses of income, 14-24.
Salary schedules: trends with respect to, 77-78.
Sales taxes: affecting school support, 1933-38, 106; alcoholic beverage taxes, 123-27; described briefly, 101; gasoline taxes, 127-28; general sales taxes as related to state school support, 1929-38, 117; miscellaneous, 131-32; number of states levying, 1933-38, 106; states with, 1934 and 1939, 104-105; state legislation, 103, 106, 117-22, 123-32; tobacco taxes,

128-30; total yield of general sales taxes contributing directly to state school support, 1937-38, 118. *See also* Tax legislation affecting schools.
Savings and investments of rural teachers: annual, 17-18; miscellaneous types, 25-29, 41. *See also* Property ownership by rural teachers.
School support. *See* Tax legislation affecting schools.
School taxes. *See* Tax legislation affecting schools.
Severance taxes: described briefly, 101; state legislation, 1934-38, 107, 138-39; total yield of, contributing directly to state school support, 138. *See also* Tax legislation affecting schools.
Simmons, Louise B.: referred to, 163.
Smith, Dora V.: referred to, 251.

Tax legislation affecting schools: alcoholic beverage taxes, 104, 105, 107, 123-27; bibliography, 154-55; chain-store taxes, 101, 104, 105, 106, 107, 133-35; corporation income taxes, 102, 104, 105, 106, 107, 113-16; corporation taxes, miscellaneous, 102, 140-43; earmarking versus general appropriations, 107-108; gasoline taxes, 106-107, 127-28; income taxes, personal, 101, 104, 105, 106, 108, 109-12; inheritance, estate, and gift taxes, 101-102, 104, 105, 107, 136-37; license taxes, 102, 144-47; new types of school taxes, 103-107; overlapping of federal and state provisions, 107; property taxes, 102, 103, 107, 148-51; provisions found in various states, 1933-38, 106; sales taxes, general, 101, 103, 104, 105, 106, 117-22; sales taxes, miscellaneous, 131-32; sales taxes, selective, 101, 123-32; severance taxes, 101, 107, 138-39; status of various types of taxes, 1934 and 1939, 104-105; tax surveys and commissions, 102, 152-53; tendencies in, 1934-38, 103-108; tobacco taxes, 104, 105, 106, 128-30; trends summarized, 1934-38, 103-108; types of taxes defined, 101-102.
Tax Policy League: referred to, 109, 123, 128, 136, 148.
Tax surveys and commissions: state legislation, 1934-38, 152-53. *See also* Tax legislation affecting schools.
Teacher load. *See* Teaching load.
Teaching assignments: degree of satisfaction expressed with respect to, 236.
Teaching load: as compared with demands of other vocations, 238; as rated by teachers at various grade levels, 232-33; as rated by teachers in various high-school departments, 232-33; as related to enjoyment found in teaching, 237; class size as a measure of, 229, 253; class size, range and median reported, 229; comments of teachers, 252-59; comparison of measurable load of R and H groups, 233; consequences of unduly heavy, 251-56; considered unduly heavy or extreme, 232-33; effect of, on personal and professional growth, 255; extracurriculum activities of teachers, 230-31; health of teachers as related to, 238; heavy pressure, ten sources identified, 247-48; important problem of, 225; large classes, 229, 251-53; local studies of, desirable, 250, 259, 261; major pressure areas in, 242; number of teaching periods as a factor in, 229-30; opinions as to the reasonableness of, 232-38; out-of-school activities as a factor in, 230-31; personal relationships as a factor in, 235; present pupil load reported by teachers, 229-31; ratings given to 44 specific factors in, 239, 263-64; satisfaction with present teaching assignments, 236-37; sources of pressure at various grade levels, 247-48; sources of pressure for teachers in R and H groups, 243-47; sources of pressure in various high-school departments, 249-50; teaching situations represented in study, 228-31; total number of pupils as a measure of, 229.
Teaching periods. *See* Teaching load.
Terrebonne, L. P.: referred to, 4.
Tobacco taxes: as related to state school support, 1929-38, 129; state legislation, 1934-38, 107, 128-30; states with, 1934 and 1939, 104-105; total yield of, contributing directly to state school support, 1937-38, 130. *See also* Tax legislation affecting schools.
Twentieth Century Fund, Committee on Taxation: referred to, 123.

U. S. Treasury Department: report cited, 109, 123, 129, 136.

Waples, Douglas: referred to, 225.
Ware, Edith E.: referred to, 165.
Wofford, Kate V.: referred to, 4.
Woodward, Annie C.: referred to, 163.
